DTI, Anne Christine Steenkjær Hastrup, Director Area bioresources/biorefining

Facilitator: CETENMA, Elisa Gambuzzi, Project Manager

16.45 – 17.15

Wrap-up Session

Facilitators will summarise main opportunities identified in the 4 challenges worked during the day

STUDY VISIT

NAVANTIA

17.30

Bus Departure

18.00 – 20.00

Study Visit

An opportunity to get insight into how NAVANTIA, a world-leading marine engineering company, uses groundbreaking technologies.

20.00

Bus departure to city centre

IKNOWLEDGE BROKERAGE EVENT 2022

Wednesday 5 October 2022

08.30 – 09.00

Registration

09.00 – 13.00

Bilateral meetings

Scheduled bilateral meetings in which Technology Centres can forge strategic alliances for technological cooperation and R&D

Organised by

INFO Region of Murcia (Spain)

Co-organised by

EU-Japan Centre for Industrial Cooperation (Japan)

Technology Transfer Center CENTI Cluj-Napoca (Romania)

IPA SA – Innovation Manager (Romania)

REDIT (Spain)

Andalusian Knowledge Agency (Spain)

SPRI (Spain)

Castilla-La Mancha University (Spain)

Castilla y León Institute for entrepreneurial Competitiveness (Spain)

FICYT (Spain)

CIS Tecnología e Diseño (Spain)

Foreign Trade Chamber of Bosnia and Herzegovina (Bosnia And Herzegovina)

IKNOWLEDGE PARALLEL ACTIVITIES

Tuesday & Wednesday 4-5 October 2022

Technology Fair

Technology Centres will show their prototypes, research results and capabilities.

Project Exhibition Space

Technology Centres will showcase relevant R&D projects in a “poster” format, helping them to disseminate their results at international level.

Free participation for Technology Centres.

Register now & be part of it!!!

www.i-knowledgeforum.com

Technology Centres are...

Research & Technology Organisations fundamentally oriented towards the technological development of companies and the increase in their competitiveness through the creation, development and transfer of innovative solutions, technology and scientific-technical knowledge to the business sector, from which part of their financing comes. Most of these entities are “non-profit” organisations.

Organisation Contact:

iknowledgeforum@info.carm.es

Strategic Partners:

Technological Centres Network Region of Murcia

FEDIT National Federation of Technology Centres

CDTI Centre for Industrial Technology Development

Foro ADR Spanish Association of Development Agencies

EURADA European Association of Development Agencies

EEN Enterprise Europe Network (European Commission)

El Batel Convention Centre

Cartagena, Region of Murcia (Spain)
